Angeli.Sweeney@42ndStreet.org.uk**

SOCIAL MEDIA AND YOUNG PEOPLE TRAINING

**Do you work for a VCSFE
or grassroots organisation
in Manchester with young
people aged 11-25?**

**Would you like to learn
more about how social
media impacts young
people's mental health
and emotional wellbeing?**

What you will learn and explore

- Exploring algorithms and different platforms, specifically how data is gathered and used
- Showing information about the different online communities and their impact on young people
- Using neuroscience to understand the benefits and negative impacts of social media
